

The diagram illustrates the planned bypass route for road Dr. woj.nr 557. The main road runs horizontally across the top, with directions indicated by arrows pointing left towards Rypin and right towards Lipno. A vertical road, Adamowo, intersects it from the bottom. A diagonal road, Janiszewo, branches off to the right. At the bottom, a horizontal road labeled dr. gminna runs parallel to the main road. Key features include:

- Teren przebudowy przepustu**: Area of culvert reconstruction, marked with red dashed lines and two circular symbols.
- B-2+U-20b**: Stationing points for the culvert reconstruction.
- B-2+T-22 D-4a**: Stationing point for the intersection with Adamowo.
- UG**: Underground structure or utility.
- Ośr.**: Oblique structure or utility.
- F-9**: Road classification markers at various points along the main road.
- Objazd**: Bypass routes indicated by yellow arrows.
- Do SKR**: Directional marker pointing down towards Wildno.
- Ławki**: Benches located near the intersection with Adamowo.
