

Technical drawing of a vertical mechanical component, likely a test specimen or a specialized fastener. The drawing shows a cross-section with a central vertical hole. The overall height is indicated by a dimension line on the left, divided into segments of 20, 8.5, 55, and H. The top section has a diameter of 25 and a height of 15. The main body has a diameter of 50 and a height of H. The bottom section has a diameter of 6 and a height of 8.5. The drawing includes labels 1 through 6 pointing to specific features: 1 points to the main body wall, 2 points to the top flange wall, 3 points to the top flange outer edge, 4 points to the top flange inner edge, 5 points to the top flange top surface, and 6 points to the bottom flange outer edge.
