

Technical drawing of a double door. The drawing shows two doors with a grid pattern of six rectangular panels each (two columns and three rows). The doors are framed by a double-line border. On the right side, there are three small rectangular handles. At the bottom, a dimension line indicates a width of 120.

Technical drawing of a Gothic-style window. The window features a pointed arch with intricate tracery, including a central quatrefoil and two side lobes. Below the arch is a rectangular section divided into six rectangular panes by a grid of muntins. The overall width is dimensioned as 53, and the height is dimensioned as 168.
