

This architectural floor plan shows a building layout with various rooms and corridors. The plan is oriented with a green arrow pointing North (N) at the top. The overall dimensions are 590 units wide and 610 units deep. The plan includes a central corridor (317) and several rooms, including a large room (314) and a smaller room (247). A staircase is located in the upper right corner. The plan also shows a central entrance area with a small square feature (possibly a well or a small room) and a central corridor (317). The plan is divided into several sections by walls and corridors, with dimensions provided for each section. The plan is drawn in black lines on a white background, with dimensions in black text. The plan is oriented with a green arrow pointing North (N) at the top.
